

Committee Meeting Minutes & Club News

19th May 2011

Those Present

Mark Tullett / Martin Warmington / Bob Hart / Rick Stevens / John Passmore.

Apologies: Jim Tucker / Jon Young

Flying Site Updates

- **Penshurst Site**
 - Payment for the Penshurst site has been made but Ian Plass has been unable to cut the grass due to health. For the time being club members are cutting the field so thanks to them for their assistance.
- **Blackboys Site**
 - A few people are using the site and at present no issues exist.
- **Rotherfield Site**
 - No problems or issues to report on the site.
- **Berwick Site**
 - The grass is now being cut every week on a Thursday. A working party went to the field to fill cracks that had appeared in the runway due to the ground drying out. The alternative runway is now open. There are plans to re-roll the field when there is enough rain to soften the area.
- **Action: Investigate whether we could keep a mower on site – Mark Tullett**
- **Action: Contact Landscapers to quote for final prep of the site – John Passmore**

Membership Drive: Carry out membership fly in at Rotherfield and Penshurst. Penshurst will be done first as this is a new site to the club for this year.

- **Action: Mark Tullett to contact RCME to place advert when date finalised (10th July)?**
- **Action: All committee to place adverts**

Club Activities

Club events are not being well attended. Numbers supporting events have been reduced for some time. Aerobatics and Berwick fly in will be cancelled and an Open Day will be planned instead

- **Action: Update website to remove Fly in / Aerobatics, add Open Day – Martin Warmington**

Scale Day

The Scale Day is planned for September and the venue is currently Berwick, a final decision will be made at the next committee meeting.

Club Nights

The next club night will be a discussion on Scale Models from Don Coe displaying a ¼ Scale Tiger Moth and following this a discussion from Shahid Bangawala.

- **Action: Contact Manny Williamson to do October Club Night – Mark Tullett**
- **Action: Update website – Martin Warmington**
 - Could also do this on either September or November
 - Martin Warmington to do IMAC Talk and Indoor Flying
